- *Charger is not included. Charging time is based on using a 10 W 5 V (DC), 2 A charger.
- **Charging output voltage is 5 V (DC) maximum, using a charger with higher voltage will damage the internal electronics beyond repair.
- The bone china shade is handmade in Stoke-on-Trent, England. The brass finial and branding disc are also made in England. The finished light is assembled and tested in England using an imported rechargeable LED unit containing the battery, control electronics and LED light source.
